CANTERBURY INTERNATIONAL HORSE CENTRE

The designated Quarantine Centre for the Sydney Autumn Racing Carnival is located at Canterbury Park Racecourse. This is the Australian Turf Club's major mid-week city based racing venue and the home of Sydney night racing. Situated just 11km west of Sydney CBD, and 14km from Royal Randwick, the track is regarded by many as Australia's best racing surface.

FACILITIES

The Quarantine Centre stable complex is located directly adjacent to the training track and can accommodate up to 20 horses in custom built, rubberlined stables developed from one of three existing stable blocks.

The area is self contained with 24 hour private security. Features include horse surgery, sand rolls, weighing scales, showers for veterinary, quarantine and stable staff, and a state of the art surveillance system. It has two warm-up areas, an undercover bullring approximately 200m² and a 200m chute which is close by.

The administration block contains accommodation for up to four people, has a courtyard area with a BBQ, and provides kitchen, laundry appliances and ice machines.

TRAINING TRACK

Training is carried out on the course proper which is 1580m in circumference and 24m wide, with warm season turf called Kikuyu. Track access on the turf track is provided from 6.30am to 9am each morning.

In addition a "Martin Collins" polytrack surface measuring 1300m in circumference is available for use on any day for trackwork

Prior to the Sydney Autumn Racing Carnival, racing at Canterbury will cease in February and will not resume again until April, ensuring international horses have exclusive use of this excellent

CANTERBURY PARK

facility.

COURSE PROPER - Fully Grassed

TRAINING TRACKS

Polytrack.....1280m x 5m

STABLE STAFF ACCOMMODATION

Serviced accommodation options are available for stable staff approximately 5km or 10 minutes driving distance away.

Canterbury Park is close to excellent train and bus services. The Championships can offer assistance with accommodation and car hire recommendations.

FORMS

The following forms must be completed for all horses prior to arrival:

- i. Racing Australia International Horse Registration
- ii. International Horse Details
- iii. Race Nomination Form
- iv. Bedding & Feed Request Form
- v. International Trainer Form
- vi. International Stable Employee
- vii. Veterinarian, Farrier & Physio Selection Form

PRE EXPORT & POST EXPORT QUARANTINE

The pre-export quarantine (PEQ) and post-arrival quarantine (PAQ) requirements detailed are current, but may be subject to change. Connections wishing to participate in the Sydney Autumn Carnival should contact Racing NSW regarding the specific quarantine requirements which apply at the relevant time to the importation of horses into Australia.

Prior to travelling to Australia, horses from approved countries must serve minimum 14-days PEQ in approved premises.

All visiting horses must serve a minimum of 14-nights in PAQ from the arrival of the last horse, before they will be permitted to leave the Centre for external training or racing purposes (emergency situations excepted).

When PAQ is completed, horses imported on a temporary basis remain under Quarantine Surveillance. While under Quarantine Surveillance, imported horses are not permitted to have contact with local horses except at time of competition.

VACCINATIONS

Horses must be vaccinated against equine influenza 14-90 days before commencement of pre-export quarantine, with a complete primary course, the final of a primary course, or a booster to a primary course, using a registered vaccine. NB: Vaccines containing the most up-to-date equine influenza vaccine virus strains available should be used.

TRAVEL ALLOWANCES

International travel allowances for horses travelling to race in the Sydney Autumn Racing Carnival from outside of Australia and New Zealand will be assessed on a case by case basis. If an allowance is provided, it will be privately agreed, and will be paid directly to the nominated participants.

The connections of the horse will be responsible for the payment of all costs incurred direct, including shipping, stabling, personal flights, accommodation, transportation and general expenditure and subsistence.

In general, travel allowances will only be granted for horses with an agreed international rating of 110+ that are bound for Australia to specifically compete in Sydney Autumn Racing Carnival. Allowances are not available for horses that are being transferred from an overseas destination to race under an Australian based trainer, or remaining in Australia.

The amount offered and conditions surrounding any allowances will be assessed based on the Australian Turf Club race, the rating of the horse, cost of travel and the profile of the horse.

The Australian Turf Club reserves the right to assess each application individually, based on its merit. It is at the sole discretion of the Australian Turf Club to assess whether to offer a travel allowance and to what level.

NOTE: All one way horses are subject to a quarantine charge with the exception of horses that compete on two occasions.

ACCOMMODATION

The Australian Turf Club will assist the connections of all confirmed participants with bookings for local accommodation and transport.

RACEDAY HOSPITALITY

The Australian Turf Club will provide premium raceday hospitality at Royal Randwick and Rosehill Gardens, to bona fide connections with a horse competing at the the Sydney Autumn Racing Carnival and in any lead up races. This will include local transport to and from the racecourse.

VISAS

All visitors to Australia must have a valid visa to travel to and enter Australia. Participants will need to lodge visa applications at least 6-8 weeks before their intended date of travel to Australia (or two weeks for online visa applications). A letter of invitation to the Sydney Autumn Racing Carnival can be supplied to participants to assist with the visa process.

Note: New Zealand passport holders do not usually need to lodge a visa application prior to their departure.

VISITOR & GENERAL INFORMATION

WEATHER

Although following summer, the months of March and April remain mild in Sydney and one of the most pleasant times of the year to visit as the humidity is lower. It's a fine time of year to soak in the natural beauty of the national parks that fringe the city such as Sydney Harbour National Park; Royal National Park; and Kuring-Gai Chase National Park. The Sydney Royal Easter Show is held in March-April.

WHAT TO WEAR

February is the last month of the Australian summer. Expect generally warm weather in most of Australia tapering to cool as autumn approaches. March is the first month of the Australian autumn, warm turning to cooler weather.

April in Australia is mid-autumn with temperatures starting their slide into winter. Sydney temperatures average 17-24 degrees (62-75 Fahrenheit) in March and 14-22 (57-71 Fahrenheit) degrees in April.

TIME ZONES

Australian Eastern Standard Time (AEST) covers the eastern states of Queensland, New South Wales, Victoria, Tasmania & the Australian Capital Territory. AEST is equal to Coordinated Universal Time plus 10 hours (UTC +10).

START OF DAYLIGHT SAVING TIME

Daylight saving time (DST), also known as summer time, starts at 2am on the first Sunday in October in the Australian Capital Territory, New South Wales, South Australia, Tasmania and Victoria. Australia's Northern Territory and the states of Queensland and Western Australia do not observe daylight saving time.

AUSTRALIAN CURRENCY

Australia's national currency is the Australian dollar which comes in denominations of \$5, \$10, \$20, \$50 and \$100 notes. Coins come in 5, 10, 20 and 50 cent and one and two dollar denominations.

CUSTOMS AND QUARANTINE

Australia's customs laws prevent you from bringing drugs, steroids, weapons, firearms and protected wildlife into Australia. Some common items such as fresh or packaged food, fruit, eggs, meat, plants, seeds, skins and feathers are also prohibited.

VACCINATIONS & MEDICATIONS

Some vaccines are recommended or required to travel to Australia. The vaccines needed will vary depending on the visitor's country of origin. If you have come from, or have visited a yellow fever infected country within six days of your arrival, you will be required to have had a yellow fever vaccination.

Regulations and medical advice can change at short notice, so check with your doctor and the relevant Australian Government websites before you leave home.

Medicine brought into Australia for personal use is subject to controls and must be declared on your arrival. It is recommended you bring a prescription or letter from your doctor outlining your medical condition and the medicine you are carrying. If you need to obtain prescription medicine while you are here, the prescription must be written by a doctor in Australia.

INSURANCE

Taking out a travel insurance policy that covers theft, loss, accidents and medical problems is highly recommended. If you plan on doing any adventure sports like scuba diving, bungee jumping, motorcycling, skiing and even bushwalking, check that your policy fully covers you. The Australian Government has reciprocal agreements covering limited subsidised health services for medical treatment with some countries through Medicare.

For more detailed information go to the Medicare Services Australia website at www.servicesaustralia.gov.au

USE OF FOREIGN LICENCES

As an international visitor, you are able to drive in Australia with your foreign licence for three months, so long as that licence is in English. If your licence is not in English, you will need to attain an International Drivers Permit (IDP) from your home country to use in Australia. If your foreign licence does not have a photo, carry a formal photo identification with you such as a passport.

If you intend to drive longer than three months in Australia, you will need to attain a Drivers licence from the State in which you intend to do most of your driving.

BRINGING MONEY INTO AUSTRALIA

There is no limit to the amount of currency you can bring in or out of Australia, however, if you plan to arrive in Australia with more than AUD\$10,000 in cash (Australian dollars or foreign equivalent), you must declare it to Australian Customs at the airport when you land. You may also be required to fill in a Bearer Negotiable Instruments (BNI) form if you're carrying promissory notes, traveller's cheques, personal cheques, money orders or postal orders. For further information visit the Australian Customs and Border Protection Service.

EMERGENCY SERVICES IN AUSTRALIA

000 is the phone number for emergency services in Australia. The operator can connect you to Police, Ambulance or the Fire Brigade. You should only call 000 in an emergency.

Visiting Trainers and Connections

If you employ workers in Australia, you may need to have a Worker's Compensation Insurance Policy.

Visiting workers may already be covered by an existing Worker's Compernsation Insurance Policy taken out by their employer in their usual business jurisdiction. Trainers should make enquiries with their insurer or broker regarding the territorial limits of cover offered by any existing Worker's Compensation Policy'.

Visiting Trainers are required to have Public Liability & Professional Indemnity insurance ("PLI/PI") that is sufficient to cover their racing and horse activities whilst in Australia. Visiting Trainers should make enquiries of their insurer or broker regarding the territorial limits and adequacy of any existing PLI/PI policy held.

It is recommended that Visiting Trainers and horse connections also contact their broker or insurer to ensure that they have appropriate insurance arrangements in place to cover travel or non-work related injury and illness while in Australia.

Read and acknowledge the below and sign in section 9:

If Racing NSW issues a rider license to the applicant, this does not amount to a representation to, or endorsement of, the applicant concerning his or her current fitness to ride thoroughbred racehorses. Riders should form and rely on their own view concerning their own fitness to ride based on their knowledge of their current physical capabilities, advice from their own medical practitioners and their knowledge of riding thoroughbred horses drawing from their past experience. Racing NSW is not responsible for a Riders physical condition and decision to ride. If at any time a Riders condition changes so that he or she suspects he or she may again be physically unable to ride to the required level, he or she should immediately discontinue riding, inform Racing NSW and consult his or her medical practitioner.
