3	Apocalyptic	Rdr reported he had intended to settle three pairs back near midfield, however the mare shifted out and bumped on jumping and consequently lost ground. He said he was then reluctant to ride his mnt forward as he did not want it to over-race and with a solid tempo being set in the early stages the mare settled towards the rear of the field.	Royal Randwick	22/08/2026
4	Savvy Hallie	Crowded on jumping. Rdr reported the mare travelled satisfactorily behind the leaders through the early and middle stages, however when placed under pressure on straightening he immediately became concerned that there may have been something amiss with the mare as it did not respond to his riding and failed to close the race off. A post-race vet exam revealed the mare to be bilaterally lame (1/5) in the forelimbs. Tnr was advised a vet clearance would be required prior to next race/trial. Vet clearance since received.	Royal Randwick	22/08/2026
5	Gangsta Granny	When questioned, rdr stated no specific instructions issued but he had anticipated settling behind the speed. He said after beginning awkwardly, his mnt did not show its customary early speed so he allowed it to settle where comfortable. He said after being crossed near the 900m, his mnt was consequently shuffled further back, but he was still disappointed in its finishing effort as it was not required to do any work through early & mid stages. A post-race vet exam revealed no abnormalities. Co-tnr subsequently reported the mare pulled up well & a further vet exam revealed no abnormalities.	Royal Randwick	8/08/2026
